

If the application is approved, I undertake to comply with the following rules:

1. The animal must be kept on a leash or carried within the housing company's area.
2. I am liable for any damage that my animal may cause to persons or property, such as scratching of frames, damage to flowers, green areas, etc.
3. I will immediately remove any excrement that my animal may leave on stairs, roads, lawns, in beds and the like.
4. I understand that animal husbandry may be a nuisance or nuisance to other residents. If justified complaints are made that my animal husbandry annoys neighbours with smell, noise or in any other way is a nuisance, for example creates fear or anxiety, I undertake to remove the animal if an amicable arrangement with the complainant cannot be reached. In cases of doubt, the board of directors decides, after negotiation with the parties, whether a complaint is justified.
5. I declare my willingness to accept the changes to the provision that the general meeting/co-owners' meeting makes and finds necessary to make.
6. This declaration is considered part of the rules of conduct and my duties in the housing association. A breach of the declaration is to be regarded as a breach of contract. The undersigned hereby applies for animal husbandry in the housing company, and hereby undertakes to comply with the housing company's rules of conduct on animal husbandry as well as the rules stated in this application.
